

## Instructions for Ordering Prints of the CRS HIV Photo Exhibit

After clicking on “Order Prints of the CRS HIV Photo Exhibit”, you’ll automatically go to a website called AdoramaPix where you will see thumbnails of the 11 CRS HIV Photo Exhibit photos. Following these easy steps to order prints of the photos.

1. Select them all by clicking on the box for each photo (or click on “All”). Click on the orange box “Order prints of checked photos”.
2. When a box pops up called “Login to AdoramaPix”, click on “Just order prints.”
3. Click on the orange box “Next: Set up job”.
4. You have numerous options. Select the following:
  - a. Finish = Kodak Royal Matte
  - b. Border = No border
  - c. Cropping = Full frame (Letterbox)
  - d. Image Correction = Use Image Correction
  - e. Back of prints = Print photo name
5. Click on the orange box “Next: Enter quantities”.
6. Scroll down to the size 8 x 12 and enter “1” for the quantity (because you want 1 print of each of the 11 photos). Do not select any other size since the photos are made for printing at 8 x 12 only. Click on the orange box “Next: confirm job”.
7. At the next screen, just click on the orange box “Add job to cart”.
8. From here just follow the instructions for payment. The photos typically arrive in about 5 days.
